

# **BEDDING SAVER™** by *Bedding Savers™*

*The perfect solution for keeping comforters and bedding accessories on the bed!*

Comforters, pillows, and bedding accessories end up on the floor without a Bedding Saver™.

Bedding Saver™ fits between a bed's mattress and box spring and pulls out to become a handy storage rack.

## **BEDDING SAVER™**

An undercover, slide-out storage rack for keeping bedding, bedding accessories, pet beds, and luggage off the floor!

Comforters, pillows & bedding accessories stay on the bed!

Perfect for pet beds and accessories.

A great place to pack and unpack luggage.

### **BENEFITS:**

- Bedding Saver™ helps keep comforters, pillows, and other bedding accessories on the bed, while you sleep!
- The Bedding Saver™ rack stores in a thin, flat case and fits discreetly between any mattress and box spring.
- Bedding Saver™ easily slides out of the thin, flat storage case and provides a storage rack for bedding accessories, luggage or pet beds. The rack easily folds flat and stores in the case when not in use.
- Perfect for hotel rooms, dorms, home or anywhere you need the convenience of a storage rack!
