

SECRET SIDE TABLE™ by Bedding Savers™

A slide-out side table for wherever you need an extra surface!

SECRET SIDE TABLE™

An undercover, fully-extendable side table for whenever and wherever you need an extra table top surface!

Secret Side Table™ is contained in a thin, flat, easy to transport storage case. Secret Side Table™ easily pulls in and out of the case.

The thin Secret Side Table™ case fits between a mattress and box spring when not in use.

Secret Side Table™ easily slides out of the flat case, extends, and creates a convenient table top surface!

BENEFITS:

- Secret Side Table™ is easy to transport, saves space and is the discreet, convenient way to provide an extra table top surface.
- Secret Side Table™ stores in a thin, flat case between any mattress and box spring.
- Secret Side Table™ slides out of the flat storage case to provide an extra table top surface, then easily folds flat when not in use.
- Perfect for small rooms, dorms, home or anywhere you need the convenience of an extra table top surface!
